

MARIAN UNIVERSITY  
Indianapolis®

20 years  
OF LEADERSHIP  
2001-21

President Daniel J. Elsener

MARIAN UNIVERSITY®

# Thank you!

This year, it is an honor to celebrate my 20th year as president of Marian University. When you welcomed me into the Marian community in 2001, we were still struggling as Marian College. Over the past decade, though, Marian has thrived, growing our student body, facilities, and academic programs to become a truly great Catholic university in this great American city.

We have opened the Marian University College of Osteopathic Medicine, the Fred S. Klipsch Educators College, Marian University's Saint Joseph's College, the Walker Center for Applied Ethics, Marian University's Ancilla College, online accelerated and graduate nursing programs, and Marian's Adult Programs. Marian also launched an NAIA National Champion football program and has developed national champion teams and athletes in cycling, women's basketball, women's volleyball, and track and field. Enrollment has grown from 1,000 to over 4,000 students. Moreover, the average SAT scores and GPAs of incoming freshmen have consistently risen over the past 10 years.

It has been a privilege for me to lead Marian through these milestones and accomplishments, but everything we have achieved is truly thanks to the Marian community—the talented and dedicated individuals who have come together to advance the common good of this university. To mark my 20 years as president, I want to take the opportunity to personally thank the Marian community for the work you've done to make Marian University the innovative leader in higher education it is today.

I want to thank our faculty for their commitment to forging transformational leaders for service to the world, our staff for making the operation of Marian University possible, and our students for constantly striving to improve our campus. The loyalty of our alumni is astounding, and they, along with our friends and donors, have given freely of their time, talent, and treasure. Thanks to all of you, Marian's endowment has grown to over \$100 million. The funds we have raised over the last five years have gone toward new residence halls, dining and athletic facilities, a home for the Byrum School of Business, and the recently announced E. S. Witchger School of Engineering. And, of course, everything Marian has accomplished has come from following in the footsteps of our founders, the Sisters of St. Francis, Oldenburg, Indiana, whose exemplar of faith and courage to venture continues to light our way.

I extend an especially deeply held love and appreciation to my wife, Beth, and my family for their constant support in my journey as president of Marian University. God has blessed me with a calling to serve with so many good and generous leaders over the last 20 years, and I look forward with great confidence to what we will accomplish together over the next 20 years in better preparing our students to be transformational leaders for service to the world and in strengthening Marian University's capacity to advance the common good.

May God bless you and your family with peace and health as we boldly venture forward!

Daniel J. Elsener  
President

# OUR GOAL IS \$307 MILLION BY 2025 AND \$500 MILLION BY 2030.

# Forging Leaders: Families Answer the Call

The rise of Marian University in the fiscal year of 2020-21 was in large part advanced by families who came together in prayer and love to make legacy gifts that will benefit students of Marian for generations to come.

## Caito-Wagner Hall Ribbon Cutting

On August 6, 2021, Phil and Brigitt Caito, their daughter Amanda Caito Wagner '95, and granddaughter, Kaitlin Caito '14, celebrated the grand opening of Caito-Wagner Hall with Alan Leighton '62, Marian University Trustee and chair of the facilities committee, and Marian's residence hall and student life staff.

Also participating in the ribbon cutting were Greg '94 and Jen Haire '94 Waning who represented the Haire family for the opening of the M. Anne Haire Memorial Garden, a reflection and prayer garden on the grounds outside the new residence hall.

The residence hall welcomed 210 freshmen this fall and features the St. Joseph Chapel and St. Francis Bell Tower.

See page 48 for additional photos.

## Tom and Julie Wood Family Foundation Partners with Marian University

Julie and April Wood celebrated the inaugural Healthcare Camp with its first cohort of students in June 2021.

In 2020, the Tom and Julie Wood Family Foundation committed \$2 million to help Marian University recruit, train, and serve a diverse group of students who will become future healthcare professionals throughout Central Indiana and beyond. Thanks to the generosity of the Wood family, Marian is establishing a talent pipeline program that serves students during their high school years, throughout their undergraduate education, and, eventually, into medical school or other graduate healthcare programs.

See page 48 to learn more about the 2021 Healthcare Camp.

## E. S. Witchger School of Engineering Groundbreaking

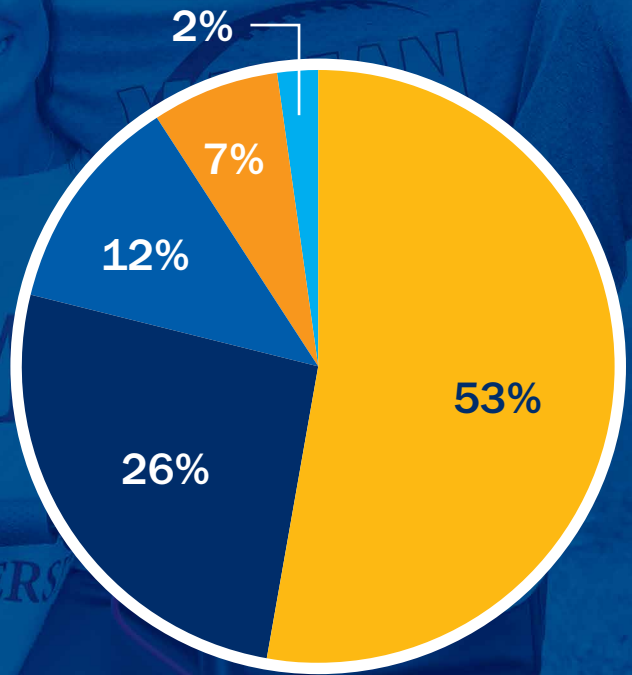

The Witchger family chose to honor their patriarch, the late Eugene S. Witchger, by making the lead gift towards a new school of engineering at Marian University. The family gathered for the groundbreaking ceremony on June 4, 2021. Binh Tran, Ph.D., dean of the E. S. Witchger School of Engineering will welcome students in Fall 2022 and offer degrees in biomedical, chemical, civil, computer, mechanical, and physics engineering. Marian, Inc. and Alan Leighton '62 also contributed early gifts to this venture.

# Endowment on the Rise

# 20 Years of Transformation

Since his inauguration in 2001, President Daniel J. Elsener has propelled Marian University forward at a miraculous pace. At this 20-year milestone, we celebrate his inspiring vision and tireless commitment to meeting the critical needs of our community and beyond.

But, he did not do it alone. Thank you for your role in all of the Marian miracles of the past 20 years.

1

2

3

- 1: President Daniel J. Elsener welcomes incoming freshmen at one of the New Student Orientation days.
- 2: On June 4, 2021, Marian University leaders and special guests gathered together to break ground on the new E. S. Witchger School of Engineering.
- 3: The 2018 Marian University football team storms the field ready to play. President Daniel J. Elsener, himself a former college football player, brought football to Marian in 2007. Since then, the program has made it to the playoffs four times and won two NAIA national championships.

6

7

8

**4:** President Daniel J. Elsener speaks annually to donors at an appreciation dinner. The 2012 event was held in the Mother Theresa Hackelmeier Memorial Library.

**5:** Daniel J. and Elizabeth Elsener celebrated the graduation of their oldest daughter, Anne, in May of 2001, just a few months before his inauguration as Marian's eighth president.

**6:** At the Marian University Rise Gala on October 23, 2021, Anne Elsener, Ph.D. '01, director of curriculum and instruction at Chicago Jesuit Academy, spoke about Marian's progress in the field of education and then welcomed her dad, President Daniel J. Elsener, to the stage to deliver his remarks on his 20 years at Marian.

**7:** In 2010, Marian University announced plans to begin a college of osteopathic medicine, the first in Indiana and the first Catholic osteopathic medical school in the United States. On Sunday, May 8, 2021, 149 future doctors of osteopathic medicine graduated from the Marian University College of Osteopathic Medicine in its fifth commencement ceremony.

**8:** Under President Elsener's leadership, 15 new buildings have been added to campus.

# Honor Roll of Donors

Marian University extends its deepest gratitude to the many alumni, parents, and friends who made gifts, pledge payments, deferred gift commitments, and/or gifts-in-kind to the university between July 1, 2020 and June 30, 2021.

# DAY FOR THE KNIGHTS

164

First-time donors

250

Total alumni donors

## Alumni Athletes Rise to the Challenge

On Tuesday, April 13, the Marian University community came together for a day of giving to support its student-athletes and teams on the first-ever Day for the Knights!

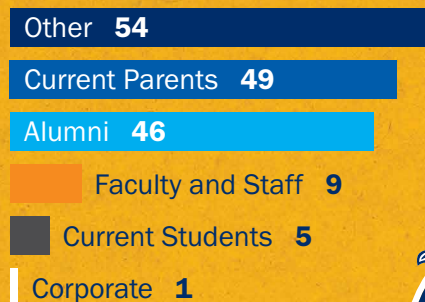

We set the goal of “filling St. Vincent Field” virtually with each \$10 donation representing a seat in the stands.

**Thanks to the support of our Marian family, we exceeded that goal four times and raised \$140,000!** These funds directly supported various athletics projects like equipment upgrades, locker room and facility renovations, signage, recruiting efforts, and more.

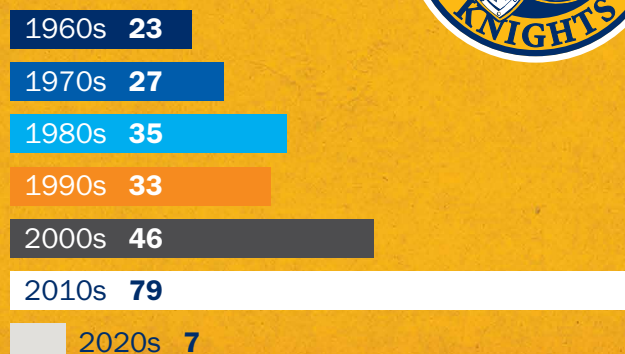

**Participants included alumni athletes from the following sports:**

Baseball	Cycling	Tennis
Basketball	Football	Track and Field
Bowling	Golf	Volleyball
Cheerleading	Soccer	Wrestling
Cross Country	Softball

# BOLD

*Gala* 10.23.20

The 2020 BOLD Gala was held at a much smaller scale due to the COVID-19 pandemic. Guests spread out just four to a table, and there was no reception or post-party. But the smaller crowd in no way diminished the celebration of our honorees: Richard Miller, John A. Purdie Innovator and Mentor of the Year; Glenn '71 and Laura Jo Biltz '71 Tebbe, Dillon Family Distinguished Alumni; and Scott and Lorraine Davison and OneAmerica, Franciscan Values Award.

Find the honoree videos along with a special Best of 2020 BOLD Gala highlights video at [marian.edu/gala](http://marian.edu/gala) (2020).

# \$2.56 MILLION

Amount raised for Marian University scholarships at the 2020 Mary McNulty Young '47 Opportunities for Excellence Scholarship Dinner.

**Left:** President Daniel J. Elsener and Richard Miller, John A. Purdie Innovator and Mentor of the Year Award honoree.

**Center:** Glenn '71 and Laura Jo Biltz '71 Tebbe, Dillon Family Distinguished Alumni Award honorees.

**Right:** Scott and Lorraine Davison, Franciscan Values Award honorees.

**Bottom:** Attendees at the 2020 BOLD Gala.

# CLAYTON FAMILY *circle of honor*

At the June 16, 2021, Clayton Family Circle of Honor event, emcee Larra Overton conducted a Q & A with honoree Chris Ballard, general manager of the Indianapolis Colts. This annual event was created by Joseph Clayton (1949-2018) and his wife Janet to celebrate the character-building qualities associated with athletics in a university community. **This event raised \$78,000 for Marian University athletic scholarships.**

Learn more about Chris Ballard and watch the *Marian Knights: Winners in Competition and Career* video at [marian.edu/clayton](http://marian.edu/clayton).

## 2021 Snyder-Watt Leadership Award

On June, 4, 2021, top-level donors attended the annual President’s Appreciation Bash. Dr. James and Mrs. Jan Pike were honored with the Snyder-Watt Leadership Award. James Pike, DO, is the founding chair of the Dean’s Advisory Board for the Marian University College of Osteopathic Medicine (MU-COM) and helped MU-COM students found the Near West Outreach Clinic, a free student-run medical clinic on the west side of Indianapolis. He and Jan, a respiratory therapist, founded Pike Medial Consultants in 2007.

- 1: Dr. James and Mrs. Jan Pike share their story.
- 2: Attendees at the President’s Appreciation Bash.

## 2020 Founders Classic

The Founders Classic has been chaired by Tom McNulty and Jamy Brase since the inaugural event in 2019. The September 22, 2021, event, held at Prairie View Golf Club in Carmel, Indiana, honored the Sisters of St. Francis, Oldenburg, Indiana and raised \$115,000 for the Sisters’ Legacy Fund.

- 3: President Daniel J. Elsener, Sr. Ruth Mary Forthofer, OSF ’59, Sr. Marilyn Hofer, OSF ’60, Sr. Mary Beth Gianoli, OSF ’78, and Sr. Olga Wittekind, OSF ’67.
- 4: Tom McNulty and Jamy Brase at the Founders Classic.

# Thank you for caring about tomorrow.

Members of the Heritage of St. Francis Society are alumni and friends who have made a commitment to honor Marian University with a bequest or deferred gift. When you include Marian as part of your legacy, you make a difference in the lives of future students and those they will impact. Your vote of confidence in our mission assures a better world for future generations.

Visit [marian.edu/plannedgiving](http://marian.edu/plannedgiving) for more information.

# Thank you for your courage to invest.

The 1851 Society recognizes individuals and businesses who have contributed significantly to Marian University through cumulative lifetime giving of \$100,000 or more (excluding pledges and bequests). In 1851, Mother Theresa Hackelmeier had the courage to venture to Oldenburg, Indiana and, with the Sisters of St. Francis, founded and invested in the success of Marian University with a vision to prepare transformative leaders to serve the world. In similar fashion, members of the 1851 Society have invested significantly in the success of Marian through their lifetime charitable contributions.

## 1851 SOCIETY

# Mark Daniel '80 Leaves Legacy of Alumni Engagement

Mark Daniel '80 (1957-2020), devoted Marian Knight and Marian University Trustee, believed that alumni engagement should be a long-term strategy for Marian's growth and success, "a marathon, not a sprint."

Mark Daniel '80

He was certainly steadfast in his role as chair of the Alumni Engagement Task Force (AETF).

Launched in 2019, this group of 22 alumni, representing the classes from 1960-2010, dedicated much time, thought, research, and prayer to the needs and potential of the Marian University alumni

community. In July of 2020, they presented their completed report to the Board of Trustees.

With inspiration from President Daniel J. Elsener's opening remarks to the task force in October 2019, the idea of defining, tracking, and benchmarking engagement in six areas was developed: Talent, Testimony, Ties, Time, Treasure, and Trust.

Joe '91 and Susan Hill '90 Barrett, Stephen Bishop '98, Carol Wethington Divine '73, Austin '18 and Lilandra Lestz '19 Dwenger, and Kameron Utter '17 are examples of the six T's in action. (Learn more about them in the following pages.)

Daniel passed away on September 29, 2020. No one could have predicted that the AETF would be his last project for Marian University, but we know he would be proud of Marian's continuing commitment to alumni engagement.

**Above:** Last year, Marian alumni wrote personal messages to over 500 incoming students. If you'd like to write a note of welcome and encouragement to incoming students, contact Jen Waning, senior director of alumni engagement, at [jwaning@marian.edu](mailto:jwaning@marian.edu).

## SIX T'S OF ENGAGEMENT

### Talent

Share expertise with current Marian students through networking, mentoring, speaking/Serve on a volunteer alumni leadership board or committee

### Testimony

Showing and sharing pride in Marian

### Ties

Connect personal and professional network to the university/Help recruit future Knights

### Time

Attend an on-campus or signature Marian event

## Carol Wethington Divine '73

It's difficult to count all the ways Carol Wethington Divine '73 has supported Marian University. From staff to volunteer to donor, Divine has always considered herself part of the team, especially when it comes to athletics.

Divine's first alumni volunteer experience was as a football game worker. "I did not miss a single home game for six years. I saw a need and felt good about helping any way I could," said Divine, who moved up from the game-day gig to three stints as administrative assistant during staff maternity leaves.

She has been a member of the Marian University Alumni Association Board for four years, was one of the charter members of the Women of Marian Society, and has participated in Marian University College of Osteopathic Medicine interviews.

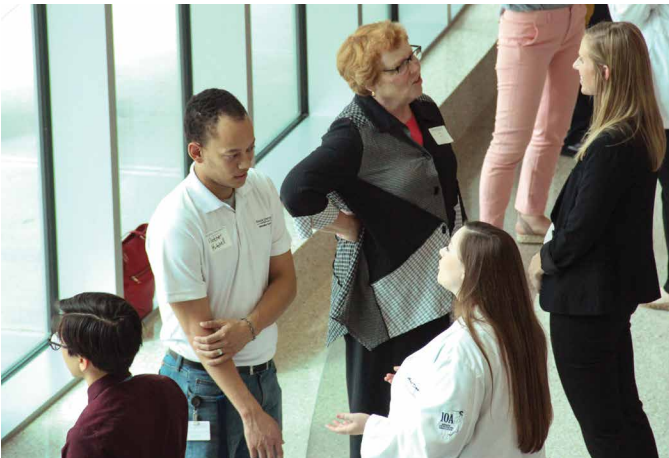

Divine has also written notecards to accepted students, proudly keeps a Marian University license plate on her car, and has consistently given to the university for the past 20 years. A former teacher of 46 years, she finds herself energized by Marian's students.

"When I am here, I am happy and feel that I am a part of helping this institution grow," she said. She thinks others would feel the same and encourages fellow alumni to get involved.

*Above: Carol Wethington Divine '73 volunteers at campus athletic events, commencement, and the annual gala.*

**Top:** Fletcher Kitchell '17 participated in the annual Marian University College of Osteopathic Medicine networking reception in 2019, where Marian alumni, faculty, and staff, provide interview practice for the medical students. Fletcher and his wife, Olivia Kalscheur Kitchell '17, also support Marian scholarships through the license plate program. If you would like to drive with pride, learn more at [marian.edu/licenseplate](http://marian.edu/licenseplate).

**Bottom:** Alumni can connect and find resources through reuKNIGHTed, the new alumni portal at [alumni.marian.edu](http://alumni.marian.edu). Another outcome of the Alumni Engagement Task Force was the launch of the Women of Marian Society (p.46).

**Treasure**  
Make a financial investment in Marian students

**Trust**  
Continue engagement and interaction to ensure Marian's legacy

## ALUMNI BY CLASS YEAR

## Austin '18 and Lilandra Lestz '19 Dwenger

Meet Marian University “power couple” Austin '18 and Lilandra Lestz '19 Dwenger, who work *and* live on campus. Austin currently serves as the area coordinator for Clare, Drew, and University residence halls and was previously the peer tutor coordinator. Lilandra is the student support specialist with The Exchange, Marian’s career services program.

Their “power couple” status developed throughout their undergrad years. Austin was a presidential ambassador, orientation leader, psychology club activities coordinator, and even spent time as Knightro. Lilandra, a commuter and first-generation student, served as vice president of the Student Organization of Latinos, vice president of psychology club, and was a member of the color guard with the marching band. Both were 21st Century Scholars.

Both were nominated for awards recognizing their leadership—Austin for the Alumni Association Distinguished Senior Award and Lilandra for the Diana and John Sweany Maid of Marian Memorial Spirit Award.

That school spirit remains strong. Austin and Lilandra proudly represent Marian at signature and alumni events and in how they live their everyday lives. “Marian has been a special place for both of us. It has been wonderful to witness the changes and growth over the past few years and to be a part of its future,” Austin said.

“The support from the Marian University community has proven anything is possible. Alumni, friends, and supporters continue to influence our lives and our passion to help others.”

**Austin '18 and Lilandra Lestz '19 Dwenger**

## Joe '91 and Susan Hill '90 Barrett

Joe '91 and Susan Hill '90 Barrett met while playing co-ed softball at then Marian College. They’ve since passed on their love of Marian to three of their five children who are also now proud Knights. Katherine Barrett '15, is a teacher, Anne Brinkworth is attending the Marian University College of Osteopathic Medicine, and their son, Joe Barrett '23, is a member of Marian’s men’s cross country and track and field teams and holds the position of athletic chair for campus ministry.

It’s only natural that Susan and Joe have joined Marian’s Family Engagement Advisory Board. Susan and Joe, vice president sales marketing at DuraMark Technologies, Inc., also support athletics as members of M-Club.

“To say we love Marian is an understatement. What a blessing it has been seeing our children become servant leaders in our community and to witness Marian’s unbelievable progress,” said Susan, who as house director for The O’Connor House, a Christian home for single, pregnant, and homeless women and their children, has also participated in Marian’s Knights for Life event and helped many Marian students complete service hours at The O’Connor House.

**Above:** Susan and Joe recently cheered on their son, Joe, at the Notre Dame National Cross Country Catholic Invitational, featuring 15 Catholic NAIA and Division 1 institutions from nine different states across the country. Joe wrapped up the 2021 season with a trip to the NAIA Cross Country National Championship meet in Vancouver, Washington.

## Kameron Utter '17

Sam Yadav and Kameron Utter '17 had only one thing in common: ties to Marian University. No one could have predicted how far that bond would take them. Today, they are joint recipients of a prestigious award and perfectly model the power of strong ties.

In 2016, Utter, a junior psychology student at Marian, was looking for a summer internship. He went to The Exchange, Marian's career services department, for help and was set up with an interview with Yadav, president of Quest Safety Products. The company had never employed an intern, but, as a parent of a Marian University College of Osteopathic Medicine student, Yadav was happy to talk to a Marian University student.

"I was nervous. I had never worked in a business setting previously, but Sam said he thought I was intelligent, capable, and could be successful. He took a chance on me, and I became Quest's first intern," Utter said.

His first assignment was to build a relationship between Marian University and Quest Safety Products to develop an internship program. As one might expect from a two-time NAIA National Football Champion wide receiver, Utter hit the ground running. Since then, Quest has hired three interns a year and has also become a business partner with Marian University's Saint Joseph's College "earn and learn" two-year program.

In 2020, Yadav and Utter received the Angie Meyer Outstanding Employer Award. Yadav's bet on Utter's potential paid off—for Quest, Marian University, numerous Marian students, the Indianapolis community, and for Utter.

Today, he is Quest's e-commerce sales manager, responsible for 33 percent of the company's top revenue. He built this program from the ground up, too. In just three years, the e-commerce division has become the fastest growing sales channel in Quest's 25 years of business.

Utter is now the one helping The Exchange, promoting Quest's internship program but also volunteering as a presenter and mock interviewer. In addition, he is a member of the Marian University Board of Trustees alumni engagement sub-committee, presents to Marian psychology and business classes, has written personal notes of welcome and encouragement to incoming students, and supports Marian's Helping Hands Fund.

He's proud to be tied to Marian University and looks forward to lending his own helping hand to fellow Knights for years to come.

## Stephen Bishop '98

Stephen Bishop '98 played baseball for Marian and is a proud member of the first team to win conference in school history. He's also proud to be a first-generation college graduate.

Bishop was an engaged alumnus even before joining Marian's Office of Finance and Accounting as senior accountant in December of 2019. While a member of the Speedway Redevelopment Commission, he engaged the Marian A-Team Business Creation and Development Group students to help shape the revitalization of Speedway's Main Street and community.

"Marian played a huge role for me to break the cycle that I grew up in. Teachers invest in and challenge their students' growth and guide them to be good citizens. I encourage alumni to spend time on campus at sporting events or just during a normal class day to get a true sense of all that Marian does to make a better community," said Bishop, who is now a proud Marian University parent of Aidan Bishop '25. Bishop lives his Knight pride by coaching youth sports, with the special mission of serving those with financial or structural social challenges.

# Thank you for advancing the legacy of Marian women.

The Women of Marian Society just completed its inaugural year and welcomed more than 80 members and successfully funded an endowed scholarship in perpetuity at Marian University. The society serves to honor Marian University's foundresses, the Sisters of St. Francis, Oldenburg, Indiana, and founding as a women's college. Its mission is to celebrate the contributions of women in Marian's history and expand opportunities for women at Marian for generations to come. The society seeks to honor, extend, and advance the legacy of Marian's women graduates, as well as provide opportunities for women to grow as leaders at Marian and in their community.

Funds secured through membership in the Women of Marian Society will be distributed through scholarships for Marian University women students with criteria for the awards approved annually by members of the society. The inaugural Women of Marian Society Scholarship was awarded to Rayna Onate '22, a student in the Leighton School of Nursing, who was one of 118 applicants. For more information about how to help the Women of Marian Society help more deserving young women, visit [marian.edu/womenofmarian](http://marian.edu/womenofmarian) or email [abadgero@marian.edu](mailto:abadgero@marian.edu).

The name "Women of Marian" was originally coined for graduates of Marian College when it served as a women's college from 1937-54. Annual gatherings of the Women of Marian happened throughout the years and evolved into an annual luncheon held on campus. Beginning in 2010, an official Women of Marian luncheon began on campus and invitations were extended to various women stakeholders. This luncheon has been held annually under various names, but all focused on serving to bring women of Marian together.

Giving circles within the Women of Marian Society honor the pioneers of Marian's past. We are pleased to recognize the charter members of the Women of Marian Society.

# Legacy gifts in action.

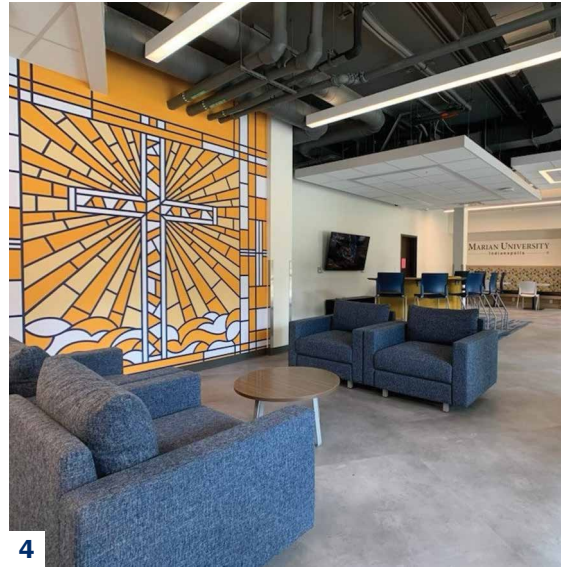

The vision and generosity of the Caito-Wagner family and the Tom and Julie Wood Family Foundation profoundly impacted current and prospective Marian University students this year.

## Caito-Wagner Hall

- 1: The St. Francis Bell Tower is dedicated to the Sisters of St. Francis, Oldenburg, Indiana.
- 2: Thanks to Mike and Melinda Heim, the Infant Jesus of Prague statue sits on the south side of St. Joseph Chapel in the M. Anne Haire Memorial Garden.
- 3: The interior of the St. Joseph Chapel features stained glass windows designed by Corbert Gauthier.
- 4: Caito-Wagner Hall lounge areas include bold wall graphics.

### Marian University Healthcare Camp Promotes Diverse Pipeline for Medical Professions

Thanks to the generosity of the Tom and Julie Wood Family Foundation, Marian University offered its first Healthcare Camp to high school sophomores, juniors, and seniors June 21-25, 2021.

This hands-on, high-tech, and interactive experience introduced students from underrepresented populations to career opportunities in the healthcare professions. The immersive experience gave participants a glimpse of what a day as a professional might be like in a variety of healthcare careers.

The camp was led by Marian University medical and nursing students, faculty, and clinical partners. Participants performed actual procedures in a medical simulation lab, learned how to stent broken bones, learned the science of sports performance, and practiced medical research.

In addition to providing funding for future Healthcare Camps, the Tom and Julie Wood Family Foundation has also committed more than \$1,500,000 in scholarships for camp participants who choose to attend Marian University. For more information on next year's camp dates and details, visit [marian.edu/healthcarecamp](http://marian.edu/healthcarecamp).

## 2022 SIGNATURE EVENTS

**Scholarship Reception**  
March 22

**Day for the Knights**  
(Day of Giving)
