MARIAN UNIVERSITY

Indianapolis

Marian University is a Catholic university dedicated to excellent teaching and learning in the Franciscan and liberal arts traditions. Located only 10 minutes from downtown Indianapolis—one of America's largest and most vibrant metropolitan areas—our wooded, peaceful campus is home to more than 2,000 students who benefit from a close-knit community and personalized instruction of professors who are committed to their success. Students of all faiths receive an educational experience framed with a Franciscan understanding of the values of dignity of the individual, peace and justice, reconciliation, and responsible stewardship. Marian University grew out of the dedication and vision of Sister Theresa Hackelmeier and the Sisters of St. Francis, who established a teacher training college in Oldenburg, Indiana, in 1851. Renamed Marian College in 1936, the college moved to Indianapolis in 1937. On July 1, 2009, Marian College became Marian University.
