FILE FOR GRADUATION

- 2017-2018 Associate and Bachelor degree candidates must file a Graduation Application with the Office of the Registrar no later than December 1, 2017. Click on the *graduation application* link at www.marian.edu/commencement.

CLASS CANCELLATION OR CHANGE

- The university reserves the right to change or cancel courses as needs and enrollment warrant. Because course information may change in between registration and the first day of classes, students should print an updated schedule from their CAMS student portal immediately prior to the start of the classes.

COURSE LOAD

- The normal load for a full-time student is 12-19 credit hours per semester.
- Because academic performance may suffer when an overload is taken, students with a cumulative GPA of 2.0 or above wishing to enroll in 19 or more credits and students with a cumulative GPA below 2.0 wishing to enroll in 17 or more credits must receive signature approval from the Office of Academic Affairs, MH 110.
- An additional per credit hour fee is charged if enrolled in more than 19 (19.01 and above) credits per semester.
- Full-time students earning fewer than 16 credits each semester will be unable to complete degree requirements in the prescribed four years for a bachelor degree or two years for an associate degree, unless additional credits are earned during summer school or by examination.

ATTENDANCE AND CROSS-REGISTRATION

- See information and policies as printed in the Course Catalog. Information for those interested in the cross-registration program (the Consortium for Urban Education – CUE) is available by request in the Office of the Registrar. All cross-registration forms for fall 2017 classes must be submitted to the Office of the Registrar by August 1, 2017.

CONVOCATIONS

- Convocations are a required component of each department's senior seminar course. All Marian University students are encouraged and welcome to attend the convocations.

PASS/FAIL AND AUDIT OPTIONS

- **PASS/FAIL OPTION** - This option is available to juniors and seniors in elective courses (not applicable to courses required for the major or minor discipline, certification, or general education). Using the Schedule Change (Drop/Add) Form, all changes to or from pass/fail status must be submitted to the Office of the Registrar by September 22.
- **AUDIT GRADING OPTION** – Students wishing to audit a course must be admitted to the university. This option is not available for laboratory, studio, or practicum courses. No credit or grade is given. A fee of \$200.00 per credit hour is charged for an audited course. All changes to or from audit status must be recorded on a Course Scheduling form (drop/add) and submitted to the Office of the Registrar by August 25.

COURSE LEVELS

- Courses numbered below 100 level (ENG 099, COL 099, MAT 090, MAT 095) are graded developmental courses designed to bring students up to the college level in these subjects. A combined maximum of 12 credits in developmental, activity, and enhancement courses may apply toward a bachelor degree or 6 credits toward an associate degree.
- Numbers 100-299 are lower division courses designed primarily for students at the freshman and sophomore levels.
- Numbers 300-498 are upper division courses primarily for juniors and seniors but are open to students who have completed the freshman level of study.
- Number 499 designates independent study or a research project at an advanced level.
- Numbers 500-599 are graduate level courses.
- Of the 128 credits for a bachelor degree, at least 64 credits must be at the 200 level or above.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA)

Marian University operates in compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. Students have the right to inspect all official records which pertain to them and to challenge inaccurate or misleading information, except parents' financial records and confidential letters and statements placed in the record before January 1, 1975, or placed under conditions where students have signed a waiver of right of access.

All student academic information is considered confidential except the following "directory" information available to the public: student's name, campus address, off-campus address, email address, telephone number, voice mail number, date of birth, photograph, major field of study, participation in university activities and sports, physical and performance statistics of members of athletic teams, dates of attendance, full-time/part-time status, degrees, awards, and honors including the Dean's List, and most recent previous institution attended by student.

The student may request that "directory" information not be released by completing the FERPA Request form in the Office of the Registrar at the beginning of each semester. Failure to notify the Office of the Registrar may mean that university publications, such as team rosters or student directories, may include some directory information. More information about FERPA is available online at www.marian.edu.

ARMY RESERVE OFFICER TRAINING (ROTC)

Through a cooperative program with IUPUI, Marian University students may enroll in the Reserve Officer Training Corps (ROTC) program which leads to a commission in the U.S. Army, Army National Guard or Army Reserve. All ROTC classes (indicated with course prefix MIL) taken are applied as general electives to your Marian University academic record. The leadership classes are open to full-time students, men and women, without incurring any obligation to continue the program to enter into military service. The first two years are exploratory in nature and offer one or two hours of academic credit per semester. Students wanting to continue the program and receive a commission upon graduation must apply for admission into the advanced program at the end of the second year of ROTC. Selection is competitive. Marian University students who are eligible for assistance can receive significant scholarship assistance by participation in this program. There are no restrictions on majors for students interested in ROTC. Students who do not continue may still use credits as electives earned toward any degree. For more information call 317.274.2691/0073 or email at goarmy@iupui.edu. Visit the Army ROTC website at <http://www.iupui.edu/~armyrotc/>.

SPECIAL TOPICS COURSES – FALL 2017

BUS 380: Business Management: Cases & Application

This course encompasses the case study method of instruction to analyze, present and defend recommendations with justification confronting business managers. Emphasis is placed on the practical implications and applications of business concepts through real-world company examples and cases. Students will integrate management theories and business knowledge; apply research, critical thinking, decision-making and enhance written and verbal communication skills as they explore the challenges in case studies based on real business experiences. Guidelines provided by the Society of Human Resource Management Student Case Competition and the Indiana Logistics Case Competition will be followed throughout the course. Each student team will participate in a mock case and present their proposal to business professionals for critique. The mock case process will aid student teams as they prepare to compete against other university teams in a state, regional or national case competition. Course may count for elective business experience.

HIS 380: Crime, Policing, and Imprisonment in the United States

This course examines the ways in which crime is defined, perceived, experienced, and responded to. In particular, it examines all the ways these have changed over time, how these changes are linked to other social phenomena, as well as their various ramifications for different groups. The primary focus is on the United States, but international issues will also be examined.
