REGISTRATION INFORMATION

ACADEMIC ADVISING AND REGISTERING FOR CLASSES

All students are required to register online via the CAMS student portal. Students should contact their designated program director with any questions about the required classes to enroll in for the semester. The program director must “release” each student to register for classes, but the program director is not responsible for processing the student’s registration. Students must register themselves for classes online.

COURSE SELECTION & APPROVAL: Review course selections and degree requirements with your program director.

REGISTRATION: Registration for students will take place online March 27-April 7. Graduate students can register beginning on **Monday, March 27**. To register online, follow the directions in the “*Step-by-Step Guide to Online Registration*” in the *Registration Resources* section of the Office of the Registrar’s website: <http://www.marian.edu/current-students/registrar/online-registration-resources>

Newly admitted and readmitted students will receive information regarding when and how they can register.

NO LATE REGISTRATION: Current students may register for a summer class online through their CAMS student portal until **4 p.m. on the last weekday before the first scheduled day of that class**. Students will not be permitted to register for a course after its first scheduled class meeting day. You must comply with the published tuition payment policy and meet all tuition payment deadlines in order to confirm your registration. Students who do not comply with the published tuition payment policy will incur late fees on their student accounts.

FEES

Tuition and Fee information <http://www.marian.edu/academics/office-of-graduate-studies/tuition-and-financial-support>

Transcript fees are available online at <http://www.marian.edu/current-students/registrar/transcripts>.

If the tuition balance from summer courses is not paid by the tuition due date, the student may be administratively withdrawn from their summer 2017 and fall 2017 classes. Students will not be able to re-register for fall classes until summer tuition has been paid in full.

PLEASE NOTE: Students are expected to pay all student account charges by the due dates published by Marian University. The student will be responsible for paying any and all costs associated with collection efforts by Marian University. This may include interest, collection costs, attorney fees and court fees.

WITHDRAWAL FROM COURSES

Registered students may drop summer classes online through their CAMS student portal until 4 p.m. on Friday, May 5. After this time, students are required to complete paperwork in the Office of the Registrar in order to drop any summer class, even classes that have not yet begun. A student who discontinues without notice will receive a failing grade in the course and will be financially responsible for the full cost of the semester. Tuition refund is based on the official date of withdrawal.

Marian University operates in compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. Students have the right to inspect all official records which pertain to them and to challenge inaccurate or misleading information, except parents' financial records and confidential letters and statements placed in the record before January 1, 1975, or placed under conditions where students have signed a waiver of right of access.

All student academic information is considered confidential except the following "directory" information available to the public: student's name, campus address, off-campus address, email address, telephone number, voice mail number, date of birth, photograph, major field of study, participation in university activities and sports, physical and performance statistics of members of athletic teams, dates of attendance, full-time/part-time status, degrees, awards, and honors including the Dean's List, and most recent previous institution attended by student.
