### ACADEMIC ADVISING AND REGISTERING FOR CLASSES

- All admitted second degree online nursing students will register for courses through their CAMS student portal. For newly admitted students, a representative from the Office of the Registrar will be present during the registration day program to walk through the registration process. Site directors and nursing advisors will also be present to answer questions specifically about the nursing curriculum. A representative from Marian's Adult Program (MAP) will also be present to answer any questions about the scheduling of remaining co-requisites through MAP.

**To register online, follow the directions in the "Step-by-Step Guide to Online Registration" in the Online Registration Resources section of the Office of the Registrar's website: <http://www.marian.edu/current-students/registrar/online-registration-resources>**

- Students who have an outstanding balance at the time of registration will not be registered until all financial holds have been cleared with the Business Office.
- **NO LATE REGISTRATION:** Students **must** be registered in their CAMS Student Portal by Sunday, May 7<sup>th</sup> @ 11:59pm or they will **not** be able to start classes for the summer semester. CAMS Student Portal will be available for online registration through Sunday, May 7<sup>th</sup> @ 11:59pm. Students who are not registered before this time will fall out of progression.

### CLASS CANCELLATION OR CHANGE

The university reserves the right to change or cancel courses as needs and enrollment warrant. Because course information may change in between registration and the first day of classes, students should print an updated schedule from their CAMS student portal immediately prior to the start of the classes.
