### **General Information**

Marian University is an independent, Catholic, coeducational comprehensive liberal arts university. Its aim is to provide its students with a liberal arts education including the humanities, the natural sciences, and the social sciences, as well as a concentration of study in a specific discipline. Go to [www.marian.edu](http://www.marian.edu) for more information on available programs and to submit an application. Marian University does not discriminate on the basis of age, race, color, sex, gender, sexual orientation, religion or creed, national or ethnic origin, or disability in its programs, activities, hiring, or the admission of students.

### **Registration and Late Registration**

Current students may register for a summer class online through their CAMS student portal until 4 p.m. on the last weekday before the first scheduled day of that class. New students will receive registration information upon admission to Marian University. Students will not be permitted to register for a course after its first scheduled class meeting day.

Due to the accelerated nature of summer courses, students are advised not to take more than one 5 week or two 6 week classes simultaneously.

### **Marian's Adult Programs (MAP) Registration Option for Traditional Students**

Students may register for summer classes through Marian's Adult Programs (MAP). Students are required to meet with their academic advisor and complete a schedule planning form which will be turned into the MAP Office, located in Marian Hall, for processing. Due to the accelerated nature of summer courses, students are advised not to take more than one 5 week or two 8 week classes simultaneously. The summer schedule for MAP along with tuition and fees for MAP classes is located online at <http://www.marian.edu/academics/marian's-adult-programs/locations-and-schedules>.
