Major MAP Policies and Tuition

Tuition for all classes offered through MAP is $375 per credit hour.

For summer 2016 terms and sessions, all RN to BSN, Paralegal, hybrid, and online classes include a mandatory e-book fee. Some courses also require that students purchase a lab kit. Beginning with fall Term 1/Session 1, ISBN numbers will be available on our website. Students in RN to BSN, Paralegal, hybrid, and online classes will be responsible for securing the required book(s) and supplemental materials for each course. More information on this textbook policy change will be made available to students by July 1, 2016.

To avoid 50% penalty and a "W", classes must be dropped by 4:30 p.m. ET on the Friday of Week 1.

Students who drop a course on or after the posted date will be charged $50 per course.

Students who do not pay their tuition by the posted due date will be charged a $100 per class late fee and will be dropped from all classes.

For complete policy information, please refer to the MAP Student Handbook available online.
