

MARIAN UNIVERSITY'S ANCILLA COLLEGE

CHANGING LIVES

Scholarship Dinner OCTOBER 3, 2024

MARIAN UNIVERSITY

Ancilla College

SWAN LAKE RESORT | 5203 PLYMOUTH LAPORTE TRAIL PLYMOUTH, INDIANA 46563 | RECEPTION 5:30 P.M. | DINNER 6:30 P.M.

As we begin our fourth year as Marian University's Ancilla College, we are elated to gather in support of student scholarships and leadership. It is with these scholarships that we can fulfill our commitment to service and transformation. The students who benefit from these scholarships will develop professionally, personally, and spiritually, and will positively impact our community as they enter the workforce. Their talents will spur economic, social, and cultural growth in northern Indiana, like our mission dictates.

We are especially grateful for the support of our donors, because without them we would have no scholarships to celebrate. You are unequivocally impactful to the success of Marian University's Ancilla College.

NATALIE TUCKER, PH.D., VICE PRESIDENT AND DEAN

Before being named Dean of Academics, Dr. Tucker served as Agriculture Department Head and Assistant Professor of Agriculture at MUAC for two years. As a lifelong Hoosier, she has earned her degrees and worked extensively throughout northern Indiana.

"It is an exciting time at Marian University's Ancilla College, and I am very grateful to serve in this role that will allow me to be more involved in the community and make a direct impact on all aspects and functions of our beautiful campus."

GARY AND ROBIN NEIDIG CHANGING LIVES ANCILLA DOMINI LEGACY OF SERVICE HONOREES

Gary L. Neidig, ITAMCO President and CEO, and his wife **Robin Neidig** have been esteemed and dedicated members of the Plymouth community for over four decades. Gary and Robin Neidig are godly and devoted parents to their four children and loving grandparents to ten grandchildren, actively supporting them in every step of their lives, and always prioritizing family involvement and encouragement.

Gary and Robin exemplify the spirit of community engagement and service, which embody's ITAMCO's core values of excellence and compassion. A proven and integral pillar of Northern Indiana, ITAMCO is deeply committed to the growth and prosperity of their community. Supporting the next generation, through precision manufacturing training programs, in collaboration with Plymouth Schools. This partnership includes the provision of donated equipment and technical expertise, all aimed at addressing the skills gap and nurturing a skilled workforce throughout Northern Indiana.
