Applicant: \_\_\_\_\_

1. Why do you want to apply to return as an RA?
2. What went well for you this year as an RA and how will you plan to continue that success if rehired?
3. What did not go as well as you had hoped this year as an RA, and how could it be improved upon if you are rehired?
4. The Returner Resident Assistant position requires an individual who can act as a role model and mentor not just to their residents, but to their co-RAs as well. How will you hold yourself accountable to be the best role model that you can be for your peers?
5. While we cannot promise anyone that they will be placed in their preferred community, we do take preferences into consideration when placing returners. You know yourself best. If rehired, what type of community interests you? If you have a specific building, please explain why.
