Commencement 2012

THE 75TH COMMENCEMENT OF MARIAN UNIVERSITY

SATURDAY, MAY 5, 2012

10 a.m.

MARIAN UNIVERSITY CAMPUS

INDIANAPOLIS, INDIANA

Marian University grew out of the dedication and vision of Sister Theresa Hackelmeier and the Sisters of St. Francis, Oldenburg, who established a school in Oldenburg, Indiana, in 1851. After a number of transformations the school became Marian College in 1936. The college moved to Indianapolis in 1937 and classes began on September 15 in Allison Mansion.

On July 1, 2009, Marian College became Marian University. On May 4, 2011, Marian University received pre-accreditation status for a new medical school. On August 24, 2011, Marian University broke ground for the Michael A. Evans Center for Health Sciences that will house the College of Osteopathic Medicine and the School of Nursing.

2012 GRADUATION PLEDGE

We, the 2012 graduating class of Marian University, as citizens of the global community and children of God, pledge to share our profound gifts of knowledge, faith, respect, and care with society and the world so that we may honor the excellent teachers who transformed our lives.

Honorary Degrees

Mother Mary Clarissa Dillhoff, OSF

Recipient of Posthumous Doctor of Divinity

Sister Barbara Piller, OSF '71, congregational minister and 2012 commencement speaker, will receive the degree on behalf of Mother Clarissa.

Mother Clarissa Dillhoff was the founder and first president of Marian College at Oldenburg (1936-37), and in Indianapolis (1937-48). One of the first Oldenburg Franciscan Sisters to receive a bachelor's degree (from Catholic University of America), she held a firm belief in the importance of higher education for women. As director of Immaculate Conception Academy in Oldenburg, in 1910 she obtained state accreditation for St. Francis Normal, a teacher-training school for Sisters of St. Francis, and served as its first president.

In 1924, she gained approval for the establishment of Immaculate Conception Junior College, open to both Sisters and lay women. As Superior General of the Oldenburg Congregation from 1926 until 1938, she presided over the merger of both two-year colleges to create Marian College in Oldenburg, a four-year teacher training college in Oldenburg, in 1936. Later that year, she directed the purchase of the James Allison estate in Indiana as the new site for Marian College, a four-year liberal arts college for women. As president of the new college, she personally directed renovation and equipment of the buildings, supplied initial maintenance funds, appointed the first faculty members, and recruited the first students. While residing on campus after 1941, she taught courses in logic, Cardinal Newman's theology, and Dante.

Marian University is privileged to recognize this woman who founded our beloved institution and made extraordinary contributions to education in Indianapolis with an honorary degree of Doctor of Divinity. We are honored that Sister Barbara Piller, OSF '71, congregational minister of the Sisters of St. Francis, is accepting this award on her behalf.

John A. Purdie

Recipient of Doctor of Business Administration

John Purdie is a certified public accountant and a graduate of the University of Notre Dame. He has a master of science degree from the Herman C. Krannert School at Purdue University. He served as president of Regency Windsor Capital, Inc., a family-owned real estate investment holding company in Florida.

Purdie grew up in Evansville, Indiana. He joined the Continental Illinois National Bank and Trust Company in Chicago (now Bank of America) following graduation. Purdie also served in the United States Army. After his discharge, Purdie joined Arthur Andersen in Chicago and then moved to Indianapolis to join American Fletcher Corporation where he held various positions of increasing responsibility.

Purdie serves on the Marian University Board of Trustees. He is a member of Legatus of Indiana, where he has served in a number of capacities, and has been involved with Right to Life of Indianapolis, the St. Luke's Catholic Church Finance Council, and the Lay Board of Advisors for Our Lady of Grace Monastery. He has also been active with the Indiana CPA Society, the American Institute of CPAs, and the Financial Executives Institute.

Purdie is married to his loving wife, Pam. Together, they have been blessed with four wonderful children and five beautiful grandchildren.

Marian University is honored to recognize this man who has employed his many talents to sustain and promote economic stability and who has donated so much of his time and resources to supporting the Catholic Church in Indianapolis.

Eugene and Marilyn Glick

Recipients of Doctor of Humanities

Native Hoosiers Eugene and the late Marilyn Glick are among the most generous philanthropists in Indiana.

Following military service in the European Theater during World War II, Mr. Glick returned to Indianapolis and developed the GI loan program for a downtown bank. Mr. Glick and his new wife Marilyn started Indianapolis Homes, a builder of affordable homes. Indianapolis Homes evolved into the Gene B. Glick Company, one of the country's leading apartment developers and operators. As the business grew and Mrs. Glick became the mother of four girls, she transitioned to full-time parenting and community service. She made substantial personal leadership contributions to the Indiana State Symphony Society and its Young Audiences program, she was president of the Borinstein Home Guild (now Hooverwood Guild) from 1966-68, and she founded People of Vision in Indiana.

In addition to establishing the Indiana Authors Award with The Indianapolis Public Library Foundation, Glick charitable funds have invested substantially in Indiana educational institutions, hospitals and the Pro-100 program. Mrs. Glick's interest in the arts has also led to Glick charitable donations to the Indianapolis Art Center and its Marilyn K. Glick School of Art.

At Marian University, the Glicks generously supported the Nina Mason Pulliam EcoLab with a \$550,000 gift in 2008 and have indicated a willingness to provide additional gifts in the future. Additionally, the Glick-funded Pro-100 program, which pays inner-city youth to work at parks, schools, and other properties during the summer, supplies the EcoLab with volunteers.

Marian University is honored to recognize this couple who have done so much to improve the quality of life for and opportunities available to the people of Indianapolis and beyond. We are privileged to have Ms. Marianne Glick, daughter of Mr. and the late Mrs. Glick, accepting this award on their behalf.
