 COUNTRIES AROUND THE WORLD

MARIAN UNIVERSITY AT A GLANCE

This is Marian University: a distinguished university offering more than 50 degree programs from mathematics to music to medicine. We are small enough to give you the individual attention you deserve—and connected enough to help you get where you want to go.

- *Travel + Leisure* named Indianapolis one of America's Favorite Cities.
- With a critical mass of innovative digital technology companies, Indy is the fifth-fastest growing city in the United States for high-tech job growth according to *Forbes*.
- Home of hundreds of major employers in business sectors like biosciences, pharmaceuticals, logistics and distribution, and advanced manufacturing.
- Known as the "Crossroads of America," two-thirds of the United States population can drive to Indy in 10 hours or less.
