

MARIAN UNIVERSITY FALL 2016 SCHEDULE OF CLASSES

OFFICE OF THE REGISTRAR

Phone: 317.955.6050 • E-Mail: regis@marian.edu • Web: www.marian.edu/current-students/registrar

The course information listed in this schedule is updated weekly. Changes will appear in **RED**. Students can find the most accurate schedule information in the course offering on their CAMS student portal.

REGISTRATION INFORMATION

► ACADEMIC ADVISING AND REGISTERING FOR CLASSES

- CHANGES IN ACADEMIC PROGRAM AND/OR ADVISOR:** If wishing to change advisors and/or declare or change a major, minor, or concentration, complete and submit the Change of Major/Advisor form available in the Office of the Registrar. Check your CAMS student portal as directed in your registration e-mail to see who is currently listed as your advisor in CAMS; submit a Change of Major/Advisor form well in advance of registration if the advisor listed is not correct. If the advisor listed in CAMS is not your correct advisor, you will be unable to register.
- COURSE SELECTION & APPROVAL:** Review course selections and complete a schedule planning form with your advisor.
 - Self-tracking guides for graduation requirements are available at the Office of the Registrar to help in schedule planning.
 - If you are registering for a course for which you do not have the required prerequisite, a course that requires instructor permission to register, or courses with conflicting class meeting times, you must obtain signatures from the applicable instructor(s) in the shaded section of your schedule planning form and bring the form to the Office of the Registrar after you have registered online so these courses can be added.
 - If registering for an independent study or tutorial, obtain and complete an independent study/tutorial form from the Office of Academic Affairs (MH 110). These courses require the approval of Bill Harting, Dean of Academic Affairs.
- REGISTRATION:** Registration for continuing students will take place online. **All students receive information about determining their appointed registration day by e-mail at their Marian University e-mail address;** registration days are assigned based on class level as determined by the number of earned credit hours. Registration will take place March 21-April 1. To register online, follow the directions in the “Step-by-Step Guide to Online Registration” in the Registration Resources section of the Office of the Registrar’s website.
 - Newly admitted and readmitted students will receive information regarding when and how they can register.
 - NO LATE REGISTRATION:** Students **must** register by Sunday, Aug. 21st @ 11:59pm or they will not be able to start classes for the fall semester. The CAMS Student Portal will be available for online registration through 11:59pm on Aug. 21st.
 - SCHEDULES & TEXTBOOKS:** Following registration, print a copy of your schedule from your CAMS student portal. You must have a schedule in order to charge textbooks to your Marian University student account. Required textbooks can be viewed online at www.marian.edu →Current Students→My Marian→Bookstore.
You must comply with the published tuition payment policy and meet all tuition payment deadlines in order to confirm your registration. Students who do not comply with the published tuition payment policy will incur late fees on their student accounts.

► WAITING LIST

- If placed on a waiting list, you are not considered to be registered for that course until an opening becomes available.
- Nursing students are not permitted to place themselves on waiting lists for clinicals.
- Check your schedule via your CAMS student portal to see whether you have been taken off the waiting list and added into the class. Other notification of waiting list status will not be provided.
- At 4 p.m. on Friday, August 19, all waiting lists will be finalized and students will no longer have the ability to add themselves to a waiting list or to be moved from the waiting list into the class. It will no longer be possible to get into a course from the waiting list without following the schedule change procedure as described below. If you are not comfortable taking the risk that you may not get into a closed class at the last minute, select an alternate course to complete your schedule.

► SCHEDULE CHANGES

- At any time before Sunday, August 21 at 11:59 p.m., you may drop or add classes online through your CAMS student portal. On or after the first day of the semester, you must submit any changes to your schedule, including section changes, in person at the Office of the Registrar using a Schedule Change (Drop/Add) form. Instructor and advisor signatures are required beginning August 22. You are responsible for adhering to the following deadlines to add and/or drop courses.

SCHEDULES FOR WITHDRAWAL FROM THE UNIVERSITY and REDUCTION OF CHARGES:

A student who withdraws from school may be entitled to full or partial reduction of charges. Reduction of charges is based on the official date of withdrawal as recorded in the Office of the Registrar. Consult with the Financial Aid Office concerning the impact that withdrawal may have upon current financial aid awards.

Standard (semester-long) courses

- withdraw on or before August 26 = 100%
- withdraw August 29-September 2 = 90%
- withdraw September 6-9 = 60%
- withdraw September 12-16 = 25%
- withdraw on or after September 19 = 0%

Courses lasting 5 weeks or more

(up to, but not including, semester-long courses)

- withdraw during calendar week 1 = 100%
- withdraw during calendar week 2 = 50%
- withdraw during calendar week 3 or after = 0%
- last date to withdraw with "W" grade – end of calendar week 2

Courses lasting 4 or fewer weeks – no "W" grades given without complete withdrawal from the university

- withdraw prior to start of class = 100%; withdraw after class begins = 0%

FILE FOR GRADUATION

- 2016-2017 Associate and Bachelor degree candidates must file a Graduation Application with the Office of the Registrar no later than December 1, 2016. Click on the *graduation application* link at www.marian.edu/commencement.

CLASS CANCELLATION OR CHANGE

- The university reserves the right to change or cancel courses as needs and enrollment warrant. Because course information may change in between registration and the first day of classes, students should print an updated schedule from their CAMS student portal immediately prior to the start of the classes.

COURSE LOAD

- The normal load for a full-time student is 12-18 credit hours per semester.
- Because academic performance may suffer when an overload is taken, students with a cumulative GPA of 2.0 or above wishing to enroll in 19 or more credits and students with a cumulative GPA below 2.0 wishing to enroll in 17 or more credits must receive signature approval from the Office of Academic Affairs, MH 110.
- An additional per credit hour fee is charged if enrolled in 19 or more credits per semester.
- Full-time students earning fewer than 16 credits each semester will be unable to complete degree requirements in the prescribed four years for a bachelor degree or two years for an associate degree, unless additional credits are earned during summer school or by examination.

ATTENDANCE AND CROSS-REGISTRATION

- See information and policies as printed in the Course Catalog. Information for those interested in the cross-registration program (the Consortium for Urban Education – CUE) is available by request in the Office of the Registrar. All cross-registration forms for fall 2016 classes must be submitted to the Office of the Registrar by August 1, 2016.

CONVOCATIONS

- Convocations are a required component of each department's senior seminar course. All Marian University students are encouraged and welcome to attend the convocations.

PASS/FAIL AND AUDIT OPTIONS

- **PASS/FAIL OPTION** - This option is available to juniors and seniors in elective courses (not applicable to courses required for the major or minor discipline, certification, or general education). Using the Schedule Change (Drop/Add) Form, all changes to or from pass/fail status must be submitted to the Office of the Registrar by September 23.
- **AUDIT GRADING OPTION** – Students wishing to audit a course must be admitted to the university. This option is not available for laboratory, studio, or practicum courses. No credit or grade is given. A fee of \$180.00 per credit hour is charged for an audited course. All changes to or from audit status must be recorded on a Schedule Change (Drop/Add) form and submitted to the Office of the Registrar by August 26.

COURSE LEVELS

- Courses numbered below 100 level (ENG 099, COL 099, MAT 090, MAT 095) are graded developmental courses designed to bring students up to the college level in these subjects. A combined maximum of 12 credits in developmental, activity, and enhancement courses may apply toward a bachelor degree or 6 credits toward an associate degree.
- Numbers 100-299 are lower division courses designed primarily for students at the freshman and sophomore levels.
- Numbers 300-498 are upper division courses primarily for juniors and seniors but are open to students who have completed the freshman level of study.
- Number 499 designates independent study or a research project at an advanced level.
- Numbers 500-599 are graduate level courses.
- Of the 128 credits for a bachelor degree, at least 64 credits must be at the 200 level or above.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA)

Marian University operates in compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. Students have the right to inspect all official records which pertain to them and to challenge inaccurate or misleading information, except parents' financial records and confidential letters and statements placed in the record before January 1, 1975, or placed under conditions where students have signed a waiver of right of access.

All student academic information is considered confidential except the following "directory" information available to the public: student's name, campus address, off-campus address, email address, telephone number, voice mail number, date of birth, photograph, major field of study, participation in university activities and sports, physical and performance statistics of members of athletic teams, dates of attendance, full-time/part-time status, degrees, awards, and honors including the Dean's List, and most recent previous institution attended by student.

The student may request that "directory" information not be released by completing the FERPA Request form in the Office of the Registrar at the beginning of each semester. Failure to notify the Office of the Registrar may mean that university publications, such as team rosters or student directories, may include some directory information. More information about FERPA is available online at www.marian.edu.

ARMY RESERVE OFFICER TRAINING (ROTC)

Through a cooperative program with IUPUI, Marian University students may enroll in the Reserve Officer Training Corps (ROTC) program which leads to a commission in the U.S. Army, Army National Guard or Army Reserve. All ROTC classes (indicated with course prefix MIL) taken are applied as general electives to your Marian University academic record. The leadership classes are open to full-time students, men and women, without incurring any obligation to continue the program to enter into military service. The first two years are exploratory in nature and offer one or two hours of academic credit per semester. Students wanting to continue the program and receive a commission upon graduation must apply for admission into the advanced program at the end of the second year of ROTC. Selection is competitive. Marian University students who are eligible for assistance can receive significant scholarship assistance by participation in this program. There are no restrictions on majors for students interested in ROTC. Students who do not continue may still use credits as electives earned toward any degree. For more information call 317.274.2691/0073 or email at goarmy@iupui.edu. Visit the Army ROTC website at <http://www.iupui.edu/~armyrotc/>.

DEVELOPMENTAL AND ENHANCEMENT COURSES

SPECIAL TOPICS COURSES – FALL 2016

ENG 380 A: Narrative Medicine

3 credits

In this course, we will examine literature that depicts medical experience—illness, disability, trauma, surgery, recuperation—written by patients, healthcare professionals, and others. Narrative medicine is a new field of study that advocates for the “clinically potent inclusion of humanities and the arts into the care of the sick” and recognizes that “illness unfolds in stories [and] that the care of the sick is an art form” (Columbia University Medical Center).

HIS 380 A/GLS 365 A: When Asian Empires Ruled the World, 1200-1800

3 credits

See instructor for additional course information.

POL 380: Voting, Campaigns, and Elections

3 credits

See instructor for additional course information.
