## **ACADEMIC ADVISING AND REGISTERING FOR CLASSES**

- All second degree online nursing students will register through their CAMS student portal. Site directors and nursing advisors are available to answer questions specifically about the nursing curriculum.

**To register online, follow the directions in the "[Step-by-Step Guide to Online Registration](#)" in the [Registration Resources](#) section of the Office of the Registrar's website.**

- Students who have an outstanding balance at the time of registration will not be able to register until all financial holds have been cleared with the Business Office.
- **NO LATE REGISTRATION:** Students **must** be registered in their CAMS Student Portal by Sunday, August 20th @ 11:59pm or they will not be able to start classes for the spring semester. CAMS Student Portal will be available for online registration through Sunday, August 20th @ 11:59pm. Students who are not registered before this time will fall out of progression.

## **CLASS CANCELLATION OR CHANGE**

The university reserves the right to change or cancel courses as needs and enrollment warrant. Because course information may change in between registration and the first day of classes, students should print an updated schedule from their CAMS student portal immediately prior to the start of the classes.
