MARIAN UNIVERSITY®

Logistics and Supply Chain Management

COMPLETE THE PROGRAM

100% Online

This program is tailored to fit the lifestyle and needs of a working professional.

About the Program

Our Bachelor of Science (B.S.) degree program is tailored to fit the lifestyle and needs of a working professional. Offered completely online and at your own pace, our classes allow you to balance schoolwork with your career and family commitments.

Complete one course at a time, at your own pace. Each course will take five or eight weeks to complete so you can tailor your classes to your personal life.

Advisors are available to help you every step of the way as you earn your degree.

Advancing Your Career

Our instructors provide real-world experience and teach students the key skills needed to succeed in their careers. You'll earn a degree in a high-demand field, ready to be hired!

A degree in logistics and supply chain management prepares you for careers in a wide range of industries, including:

- **Manufacturing**
- **Retail**
- **E-commerce**
- **Transportation**
- **Logistics services**

Admissions Information

Applying to this program is free of cost. The admissions team will review the application and materials and then formally communicate an admission decision. Transfer credit and prior learning credit will be reviewed once after an applicant has been admitted into the program. The recruitment team will guide you through these conversations.

HOW TO APPLY

Prepare your application materials needed:
- Resume indicating three years of full-time work experience
- Provide all official high school and college transcripts (to be considered official, transcripts need to be sent directly from the institution to Marian University at onlineadmissions@marian.edu)

Have one of the following:
- GPA of 2.00 on a 4.00 scale from the last college attended
- high school GPA of 2.30 on a 4.00 scale
- GED score of 51 or above, or a passing TASC score
