University Marshal

Grand Marshal

Patrick McVey, Ph.D., *Assistant Professor of Chemistry and Presiding Officer of the Faculty*

Academic Regalia

The origin of academic regalia (gowns, hoods, and caps) dates back to the 12th century when universities began to form and most scholars belonged to religious orders. Colors became standardized in the United States in 1895 when a group of leading educators from Ivy League and New York universities (the Intercollegiate Commission) introduced an Academic Costume Code (i.e., colors identify the university and degree and the cut-and-style of the academic attire distinguishes the level of education).

Gowns

Bachelor's gowns are simple with long, pointed sleeves and no trim. Master's gowns have oblong sleeves which are open at the wrist. Doctoral gowns are the most elaborate with front-facing velvet and three velvet bars on each billowing, bell-shaped sleeve.

Hoods

Bachelor regalia may include a hood which is 36 inches in length. Master's and doctoral regalia include hoods that are 42 and 48 inches in length, respectively. Hoods are

lined with silk that indicate the academic color(s) of the institution. A binding trim of velvet designates the subject in which the degree is granted. The color for doctoral degrees in medicine is green; the color was chosen to represent medieval herbs. Royal blue represents the doctoral degree in philosophy (Ph.D.).

Caps

Mortarboards are worn at all levels. Recently, tams have increasingly been adopted as the caps worn by doctoral candidates and those with doctoral degrees. When master and doctoral candidates enter the ceremony, their tassels are on the left side of their cap and they do not move the tassel. When associate and bachelor candidates enter the ceremony, their tassels are on the right side of their cap and graduation is signified symbolic when the tassel is moved to the left.

Honorary Degrees

Todd Huston – Speaker

State Representative

Doctor of Public Service

Todd Huston of Fishers, Indiana, was first elected in 2012 as state representative for the constituents of House District 37, which includes a portion of Hamilton County. Huston was first selected by House

members to serve as Indiana House speaker in 2020, and he currently leads the 100-member chamber, including the 70-member Republican supermajority.

Huston received the 2021 Champion of School Choice Award from the Institute for Quality Education for supporting a significant expansion of Indiana’s Choice Scholarship program. In 2022, Huston spearheaded the passage of a \$1 billion tax-relief package to support hardworking Hoosiers—the largest tax cut in state history.

Huston helped lead the creation of the Regional Economic Acceleration and Development Initiative (READI) in 2021 with a \$500 million investment to promote community collaboration and growth. In 2023, he supported directing another \$500 million to support READI 2.0. Through this transformative program, regions created a strong vision for the future and applied for competitive grants. In total, READI will create an economic investment of over \$13 billion for communities across Indiana.

Huston previously served on the Hamilton Southeastern School Board, Hamilton Southeastern Schools Foundation Board, Fishers Planning Commission, and Indiana Leadership Forum Board of Directors. Additionally, former Governor Mitch Daniels twice called on Huston to serve the state, first with a four-year term as a member of the Indiana State Board of Education and from 2006-09 as a member of the Indiana Education Roundtable.

Huston and his wife, Denise, reside in Fishers, Indiana, and have two adult children, Elizabeth and Jake.

Marian University recognizes Todd Huston by bestowing upon him the honorary Doctor of Public Service degree.

Huston celebrates this distinction today with his wife, Denise.

James D. Pike, DO

Pike Medical Consultants

Doctor of Education

James D. Pike, DO is co-owner, president, and chief executive officer of Pike Medical Consultants in Indianapolis, which is a diverse, independent, medical practice. An avid supporter

of the Marian University College of Osteopathic Medicine (MU-COM), Jim joined the Marian family with the encouragement of our very own Luke Nelligan, DO, as the announcement of the medical school was made. Jim has been a mentor for young adults for over 20 years and yearly for students in the MU-COM as he has been an associate clinical professor.

Jim returned to his hometown of Indianapolis in 1994 after serving with the U.S. Army as a physician for 10 years. He completed his pulmonary and critical care fellowship at Walter Reed Army Medical Center in Washington D.C. in 1991. On his return to Indianapolis, he joined his mentor, Dr. Ramon Dunkin, at Winona Hospital. He served as the founding chair of the Deans Advisory Board and as president of the medical staff of both Select Specialty Hospital and Kindred Hospital Indianapolis many times for 20 years.

Jim's civic engagements include being an ordained elder in the Presbyterian Church. He has also served as the founding medical director of Near West Free Clinic for the past seven years.

Jim's work has been recognized with an alumni service award from Kansas City University in 2013 and the Snyder-Watt Leadership Award from Marian University in 2021. He is also a member of the Gold Humanism Honor Society.

Jim is proud to have earned his undergraduate degrees from both Indiana University and Purdue University and his DO from Kansas City University in 1984.

Marian University recognizes James D. Pike, DO, by bestowing upon him the Doctor of Education.

Jim celebrates this distinction today with his wife, Jan, his children Jessie and Adam, and extended family.

.....

Janice L. Pike

Pike Medical Consultants

Doctor of Education

Jan Pike serves as co-owner of Pike Medical Consultants where she has worked with her husband, Jim, since 2008. She is a registered respiratory therapist and a certified asthma instructor and cares for all their pulmonary patients. She is well known to Marian University students, spending time with them in the office and providing support of the Near West Free Clinic.

Jan has been, and continues to be, an avid Riley Children's Hospital supporter. She served as a respiratory therapist and clinical instructor at Riley for a decade before marrying Jim.

In addition to her work at Pike Medical Consultants, Jan is an ordained elder and deacon in the Presbyterian Church. She and Jim attend Zionsville Presbyterian Church.

Jan is proud to have earned her educational degrees from Indiana University while at IUPUI and completed her master's degree in health occupations education in 1984.

Marian University recognizes Janice L. Pike by bestowing upon her the Doctor of Education.

Jan celebrates this distinction today with her husband, Jim; their children; Jessie and Adam; her brother, Kent Mills; and her cousin, Marquita Tilden and her husband, Denny.

THE MARIAN UNIVERSITY PROMISE

Marian University students will be exceptionally well prepared for a good life and professional pursuits through:

- ① An education illumined by the light of faith and grounded in values and ethics;
 - ② Challenging academic programs supported by a vibrant and caring community that guides students in achieving excellence;
 - ③ Innovative, active, and engaged approach to learning on campus and beyond; and,
 - ④ Leadership education that prepares a Trustworthy, Healthy, Inquisitive, and Skilled leader.
-

VISION

To provide an education distinguished in its ability to prepare transformative leaders for service to the world.

MISSION

To be a great Catholic university dedicated to achieving excellence in learning, which is achieved through teaching, research, and scholarly activities in the Franciscan and liberal arts tradition.

VALUES

To reflect prayerfully on the Gospels in an unflagging commitment to advance the dignity of the individual, peace and justice, reconciliation, and responsible stewardship.
