Dear Selection Committee:

Please accept this letter as application for the residential candidate position within your school. As a Special Education (P-12) major at Marian University, I am eager to expand my knowledge and gain experience in the field of education. My phenomenal communication skills, digital literacy, cultural competency and organization skills are anchored in my successes and in qualifying me to be the perfect candidate for the residency program in your district.

During my time as a student at Marian University, I have had the privilege and pleasure of working as a teacher candidate through the Fred S. Klipsch Educators College. I have acquired many skills and experiences that are beneficial to the position at hand, such as; lesson planning, cultural competency training, conducting functional behavior assessments (FBA), writing the components within an Individualized Education Plan (IEP), Oral Fluency Assessments, and creating virtual classroom environments. I have completed the above tasks with efficiency, creativity, and professionalism, all essential skills in becoming an educator.

My experiences prior to becoming a student at Marian University, paired with my passion to impact the lives around me and influence and inspire youth, make me a strong candidate for the residency program provided by your district. I am more than excited for the opportunity to be considered and learn more about what it truly means to be an Indiana educator, additionally; I hope you can see the potential I have to make this position successful. Should any questions, comments, or concerns arise, please do not hesitate to contact me. Thank you for your time and consideration regarding my candidacy for this position.

Sincerely,

FUTURE EDUCATOR
